HOW IT WORKS

READY

Register for a CycleNation event and download or update your CycleNation app.

SET

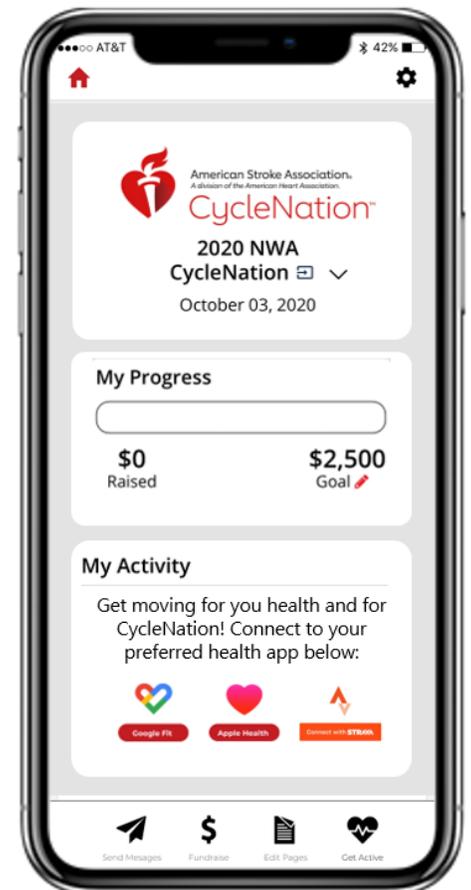

CycleNation continues the tradition of cycling, the heart of our event, however this year you get to “define” your ride with our new physical activity tracker conveniently located in your CycleNation app!

Go beyond the bike and manually track minutes spent on any type of physical activity, giving you more ways to participate and define your ride.

Ask your network of family and friends to support you and the mission of the American Heart Association.

CELEBRATE

Keep an eye on your leaderboard. Top movers and fundraisers will be recognized!

TOP TIPS FOR A WINNING MOVE MORE CHALLENGE

Ready to get a step ahead? Here are some ways to make your company's Move More Challenge a BIG success.

SET A GOAL

Rack up the minutes with a company goal. The AHA recommends 150 minutes per week. Imagine how many hours of heart-healthy activity you can accomplish together!

RECRUIT PARTICIPANTS

Make sure all of your Team Captains and Riders are recruited before Move More Challenge begins and they have downloaded the CycleNation app so their minutes count!

MAKE A MATCH

Inspire your team to log more minutes with a company Minutes Match, for example, \$1 for every 10 minutes.

SPREAD THE WORD

Get everyone in the game! Teams can get healthier together AND stay connected.

START AT THE TOP

Sign up your CEO and other executives. If your company leaders are involved, your employees are more likely to be involved too.

CHEER THEM ON

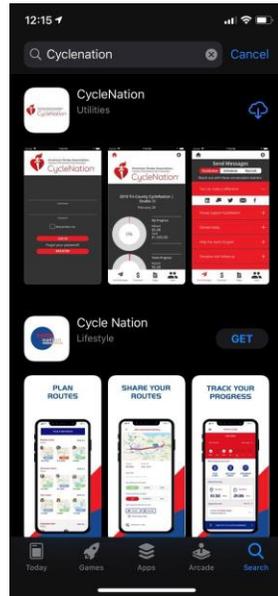

Send a weekly email to congratulate all of your participants and update them as your company climbs the leaderboard.
(And watch everyone's competitive spirit come out!)

CYCLENATION ACTIVITY TRACKER

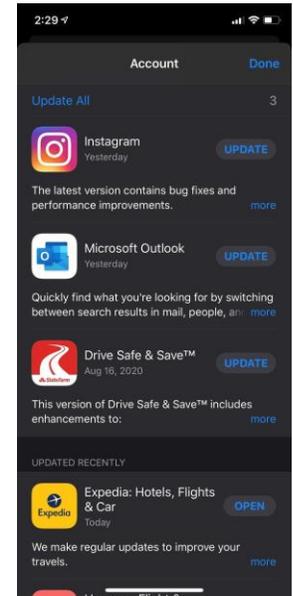

NEW! The CycleNation app now has the ability to track your minutes right from your phone during this year's Move More Challenge!

TRACKING YOUR PHYSICAL ACTIVITY!

You DO have an Activity Tracking Device

If your current tracking device, such as an Apple Watch or Garmin, is connected to either Apple Health or Google Fit, your historic activity will automatically be retrieved in the CN app. You can also go beyond biking and manually track walking and running minutes.

You DO NOT have an Activity Tracking Device

You can record your cycling minutes from within the CN app by clicking the green "Start" button. When you are done with your ride, you can press the red "Stop" button to save your workout. If you forget to track your minutes with a device, you can manually track from riding, walking or running. Click the "plus" button next to activities.

TECHNICAL SUPPORT

If you are having any technical issues within the app or the Activity Tracker our Vendor Boundless is here to help directly through the app.

Navigate to the upper right-hand corner and click on the gear shift button. Scroll down and click on "Need App Support" You can then click on "New Support Ticket" to submit to Boundless.
