Quality Care
You have the right to:
- Equal care regardless of age, race, ethnicity, religion, culture or language.
- Equal care regardless of physical or mental disability, socio-economic status.
- Equal care regardless of sex, sexual orientation, and gender identity or expression.
- Have your culture, values, beliefs and preferences respected.
- Quality care in a safe setting by skilled doctors and staff.
- Have your pain managed.

Safety
You have the right to:
- Be free from neglect, misuse, verbal, mental, physical and sexual abuse.
- Be informed if something goes wrong with your care.
- Be free from seclusion or restraints unless needed for safety.
- Have access to protective and advocacy services.

Meaningful Interactions
You have the right to:
- Be informed of your current health status.
- Help decide the plan for your care.
- Take part in your care as desired.
- A person of your choice, and your doctor, notified promptly when admitted to the hospital.
- Choose a person (lay caregiver) to be involved in your plan of care before and or after discharge.
- Be informed of care outcomes, treatment, and services you need for current and future decisions.

Affordability
You have the right to:
- Request a detailed bill with an explanation of that bill after discharge.
- Information about resources to help pay for your care.

Personal Care
You have the right to:
- Know the names and jobs of the people who care for you.
- Be treated with respect and dignity in a setting that promotes a positive self-image.
- Personal privacy.
- Religious and other spiritual services that you choose.
- Make advance directives.
- Have your medical and end of life care wishes followed and conflicts addressed.
- Have your rights protected and respected during any research like activities.
- Refuse to allow taping, films, or other images of you for purposes other than your care.
Your Rights continued

Visitation
You have the right to:
• Know your visit rights, hours and limits that may apply to your visitors.
• Receive visitors of your choice with no discrimination.
• Know when the visitor’s presence infringes on others’ rights and/or safety.
• Know when you may not have a visitor because of a safety or medical reason.
• Withdraw or deny consent to receive specific visitors, either orally or in writing.
• To choose a support person to select visitors for you if you are unable to do so.

Be an Active Partner in Your Care
You have the responsibility to:

Be an Active Partner in Your Care

• Share as much health information with us as possible.
• Ask questions when you do not understand.
• Respect other people, their property and use civil language.
• Give us a copy of your advance directives.
• Tell us about changes in your condition.
• Follow hospital rules (to include your visitors)
• Tell us when you are in pain.
• Let us know if you are unable to follow your care orders.
• Leave your items of value at home.
• Meet financial commitments.
• Keep appointments.

For comments, complaints or grievances, or to report safety concerns:
Please speak to your doctor, nurse, or department leader. If you feel that your concern is not resolved contact the Nursing Supervisor at (540) 316-5566.

If you still have concerns after going home, you may call our confidential Patient Concern Line at (540) 316-5014. You will receive a call within two business days.

You may also file a grievance with the following:
