

Fauquier Health is driven by our mission of *making communities healthier.*® We are dedicated to providing high-quality care close to home and investing in our region's overall well-being. Our teams are committed to embodying our core values and improving the health of all those we serve. We feel privileged to be part of this community, and we take seriously the role we play in providing compassionate, accessible care to patients and their families.

With the support of Lifepoint Health and community partners like you, we continue to advance our mission and create places where people choose to come for healthcare, physicians and providers want to practice and employees want to work. We look forward to further enhancing how we serve our neighbors today and for generations to come. Thank you.

Rebecca Segal, FACHE, CEO

2023 Community Benefits

Added 16 full-time providers to care for our community

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, cardiology, emergency and family medicine, general surgery, gastroenterology, hematology, oncology, internal medicine, interventional radiology, maternal fetal medicine, OB/GYN, orthopedics, podiatry and more.

Made nearly \$2 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included an additional 3D mammogram machine and room upgrade, new ultrasound machines and surgical equipment, including a Hana table for orthopedics and da Vinci robot cameras.

Distributed a payroll of \$59,151,891 to approximately 670 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and services.

Donated more than \$16.1 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

Paid \$13,952,639 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.

Fauquier Health hosted Virginia Governor Youngkin for his Right Help Right Now bill signing event. This bill seeks to reform the behavioral health system in Virginia by better supporting people in a mental health crisis.

Fauquier Health participated at CulpeperFest, an annual outreach event done in partnership with the Culpeper Chamber of Commerce.

Fauquier Health team members educated thousands of Fauquier County community members about many health-related concepts at the Old Town Fall Festival.
